Move Over Mrs. Markham is set in a very elegant top floor London flat, belonging to Philip and Joanna Markham. The flat has been under renovation, and thus has been largely empty. Philip is a straight-laced publisher of children's books, and he shares an office with his partner, Henry Lodge, on the ground floor. Reluctantly, Philip agrees to let Henry borrow his apartment for the evening to entertain his latest girlfriend.

At the same time, Joanna Markham is persuaded by Linda Lodge to let her borrow the apartment, so she can entertain her lover. What nobody knows is that the interior designer who had been decorating the apartment for the past three months has decided that this was the night he and the au pair girl would try out the new, orange bed! When all three sets of people converge on the apartment, expecting to find it empty, chaos and confusion ensue.

Who's Who

Joanna Markham: Devoted wife of Philip; eager for a “re-do” of their London flat as well as their Marriage!

Alistair Spenlow: Interior designer for not only the Markham's flat, but it's inhabitants as well!

Sylvie: The Markham's au pair who is very confused as to where she “fits” in the flat's re-design!

Linda Lodge: Frustrated with her husband Henry's late night “entertaining of clients,” decides it's time to upset the tea kettle!

Philip Markham: Junior partner in his and Henry's publishing company and Joanna's faithful husband, he unwittingly gets caught up in the total pandemonium that ensues!

Henry Lodge: Philandering senior partner who thinks he has everything under control and is shocked to find the tables have been turned right under his nose!

Walter Pangbourne: Management consultant, eager to please, ends up very disappointed when he finds he has pleased no one, including himself!

Olive Harriet Smythe: A bit of an eccentric country girl, renowned author of the “Doggie Woggie” books She thinks is she is leaving the questionable morality of her former publisher until she encounters the scene at the Markham's flat!

Miss Wilkinson: An operator with the post office who has been duped by Henry into thinking she is coming to the flat for an “interview” as an assistant!

# Producer/Director Notes

by Patrice Messina

I am thrilled to be part of the team putting this fabulously-funny show together! Tom & I began working on this in the spring, and in his absence Jonelle has jumped in to help bring it to the stage. This has truly been a team effort and a challenging labor of love. I don't think we've ever had this many doors, closets and fake walls on this stage—we even built a special extension to accommodate the orange bed!

We do have nine diverse Characters in and out, so if you get confused just check in your Playbill for the “Who's Who” descriptions.

We have had a blast creating this show and have great confidence that this awesome cast will now knock it out of the London Flat and into the London Park! And remember, laughter keeps you younger!

“I regard the theatre as the **GREATEST** of all art forms, the most immediate way in which a **human being** can SHARE with another the sense of what it is to be a human being.”

## Producer/Director Notes by Jonelle Kop

*Move Over Mrs. Markham* is a play we have been working on since last spring. Unfortunately, Tom Butler has temporarily moved out of town, and the play was put on hold. But it was such a wonderful play with a great foundation, that we moved forward with it as our November play! It has been a pleasure to pick up where Tom left off, and to work with such an accomplished and talented cast of actors in another fabulously funny play! Our dedicated cast has put in hundreds of hours, and their hearts and souls into it to get it right – and I believe we have! I know you will agree with me!

*Move Over Mrs. Markham* is one day in the life of a children's book publishing firm in London England. Only what goes on there is anything but suitable for children... It is a zany free-for-all as the day gets more and more complicated and the cover stories get more and more creative until the truth doth set them free...

As we are all volunteers here, please know that the only pay we receive is your joy and laughter. So please feel free to indulge, as great audiences make great plays and we will all be well rewarded. Thank you for coming and get ready to enjoy *Move Over Mrs. Markham* !!!

## Director Notes by Tom Butler

Tom Butler has played a vital role of The Key Players for 25 years, having served in every capacity a show needs. He is currently the only living, unanimously-voted life member. He has temporarily moved to the west coast of Florida, but Tom sent this message to our loyal followers: "I truly apologize for the long delay between shows... but I am absolutely sure that you will find it worth the wait. I regret not being with this cast till the end of the show, but I hope to come back to see it. I am sure that they will fulfill the vision I saw for this play."

## **Marinka Stuvell as “Joanna Markham”**

Marinka is excited to revive her childhood hobby in theater. She was born and raised in Holland where she spent a lot of time around the theater with her father, who starred in, and directed many local shows. She is thrilled that he will be in the audience for this show. Marinka has previously been seen on The Key Players stage in *Who’s In Bed With The Butler*, and *SHREK! The Musical*.

A South Florida resident for almost 30 years, Marinka is the mother of three children: Kara, Dominic and Sonny, and is a teacher at Coral Reef Senior High. She lives with her husband, Jimmy, in Tavernier.

## **Russell Holmes as “Alistair Spenlow”**

Russell Holmes is portraying Alistair Spenlow, the Markhams’ designer from “southern” England. Russell has been in several Key Player productions to date: *Drinking Habits*, *On Golden Pond*, *There’s a Burglar In My Bed*, *Red, White & Tuna*, *The Fox On The Fairway*, and *Who’s In Bed With The Butler*, to name a few. The smiles and the laughter of friends and neighbors make it well worth the effort of relentless rehearsing for Russell.

## **Deborah Mendoza as “Sylvie”**

This show is Deborah’s third show on stage with The Key Players. Her debut was in *The Mad Breakfast* as the insatiable one, and then in *Red, White & Tuna*. She is thrilled to continue to be a part of the show. Deborah is a Florida native, and moved to The Keys in 2012. She is grateful for the audience’s support.

## Patrice Messina as "Linda Lodge"

A native N.Y. girl, Patrice flew for Eastern Airlines for 17 years, giving her the opportunity to pursue music recording in various studios on the West coast and Miami.

After moving to the Keys with husband Paul in 1997, she "accidentally" ended up at a Key Players audition...

and so it began! Paul is the current President and Patrice has enjoyed every minute of acting, directing, producing, etc., for many shows and Murder Mysteries over the years! She is having a "smashing" time playing the long-suffering wife of womanizer Henry Lodge, intent on turning the tables on him in this hilarious farce full of twists and turns!

Her "off-stage" life is a Realtor for Allison James Estates and Homes; substitute teaching; cooking contests, and doing a bit of karaoke around town!

## Jimmy Pardinias as "Philip Markham"

Jimmy is a recent retiree to the Islamorada area. He is a licensed boat captain who loves to be on the water. This is Jimmy's third appearance on stage with The Key Players. Previous shows include *Who's In Bed With The Butler* and *SHREK! The Musical*. He is excited to be part of the cast and looks forward to starring, once again, with his wife Marinka.

## Craig Zabransky as "Henry Lodge"

Thrilled to return to the stage after a long absence, Craig is performing in his first Key Players production and keeping with his personal mantra - to stay adventurous. He recently relocated from New York City to the Florida Keys and traded one island life for another. Catch more of his adventures and storytelling on his site [StayAdventurous.com](http://StayAdventurous.com).

## Jerry Nussenblatt as "Walter Pangbourne"

A veteran of the concert stage, Jerry moved down to the Florida Keys from the Northeast in 2004. Several years later, he joined the Marathon Community Theater and has since performed in several productions and shows, including *Forever Plaid* (twice), *The Sound of Music*, *A Few Good Men*, *The Producers*, and *Barefoot in the Park*.

This is Jerry's second production with the Key Players, having appeared in *Shrek! The Musical* last February in the Ensemble. He is very appreciative of the way the Key Players have welcomed him into their family, and is looking forward to appearing in *Mid-Life! The Crisis Musical* this coming February, as well as a production of *Bathroom Humor* at the Marathon Community Theater in May. Jerry is also an ongoing member of the Civic Chorale of Greater Miami, based at Miami-Dade College in Kendall.

## The Crisis Musical

Book, Music and Lyrics By Bob Walton and Jim Walton

*With a balanced look at the 'joys' of growing older, MID-LIFE! strikes a chord with anyone regardless of age. A series of sketches pokes fun at the frustrations of mammograms, love handles, weekend warriors and proctology exams. The cleverly crafted songs celebrate forgetfulness, reading glasses and menopause, but also touch on the sentimental wisdom that the later years afford us. A hilarious romp with honest humor.
